

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

The speakers

2. What specifically did you *not* like about the presentation?

The prizewinning screaming

3. What, if anything, would you change to make the presentation better?

not make us scream-it hurt my ears

4. What did you learn from the presentation?

that drugs are much worse than I thought

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

The eye opening and real stories

2. What specifically did you *not* like about the presentation?

Nothing... I liked everything!

3. What, if anything, would you change to make the presentation better?

Nothing. I enjoyed it.

4. What did you learn from the presentation?

About the importance of making your own decisions.

5. Additional comments:

THANK YOU! ☺

Not letting
drugs take away
my choices.

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

In some cases, I could relate to the presenter

2. What specifically did you *not* like about the presentation?

I started to get emotional

3. What, if anything, would you change to make the presentation better?

Nothing, it was great

4. What did you learn from the presentation?

DONT DO DRUGS

5. Additional comments:

Thank you for taking time out of your life to come & teach us.

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

It really taught me a lot. I knew that I will never do drugs. I know I will never do drugs!

2. What specifically did you *not* like about the presentation?

Well, sort of scary! The people in the videos creep me out

3. What, if anything, would you change to make the presentation better?

Nothing!

4. What did you learn from the presentation?

Do Not Do Drugs!

5. Additional comments:

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

I liked that they were all honest and they told us what or how they learned their lesson

2. What specifically did you *not* like about the presentation?

I think it is sad that the people have to go through all of this and then replay and tell the world basically that

3. What, if anything, would you change to make the presentation better? they are terrible

Nothing. It was great

4. What did you learn from the presentation?

Don't do heroine & drugs can kill you or loved ones. So can alcohol

5. Additional comments:

Stay strong. All of you presenters are pretty frieking strong & brave to tell every one your story

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

that there were real life stories

2. What specifically did you *not* like about the presentation?

I honestly liked everything.

3. What, if anything, would you change to make the presentation better?

nothing

4. What did you learn from the presentation?

• that anyone can be victim to drugs

• It takes one time to change a life

5. Additional comments:

this presentation changed my life.

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

How they know that it's wrong and even a little is enough to kill.

2. What specifically did you *not* like about the presentation?

Nothing, it's hard to not cry for them in what happened.

3. What, if anything, would you change to make the presentation better?

Nothing. If there were I would have written in the question above.

4. What did you learn from the presentation?

NEVER DO DRUGS!
My parents taught me and teachers too

5. Additional comments:

I really feel sad for what happened to all of them.

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

What the stories told me and that you should never do drugs and that you gave examples.

2. What specifically did you *not* like about the presentation?

I really did not like not like anything =>

3. What, if anything, would you change to make the presentation better?

I would not change anything

4. What did you learn from the presentation?

That you should never ever think or do drugs and that you should encourage people not to.

5. Additional comments:

I would like to say thank you for your stories and that I am sorry for what you have gone through.

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

I liked the the presenters did not sugar coat the reality of drugs and alcohol.

2. What specifically did you *not* like about the presentation?

How sad the stories were, I hope these people can forgive themselves and that they will never do anything like this.

3. What, if anything, would you change to make the presentation better?

almost nothing, technically speaking though, the presenters might need a mic.

4. What did you learn from the presentation?

How bad drugs/alcohol can affect your life forever.

5. Additional comments:

I really like the reality of it all, please tell the presenters that I am sorry for their bad experiences. ☺

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

I liked how everyone told there own story.

2. What specifically did you *not* like about the presentation?

there wasn't really anything I didn't like.

3. What, if anything, would you change to make the presentation better?

Probably just taking some screens out of the video.

4. What did you learn from the presentation?

I learned to never do drugs or alcohol

5. Additional comments:

Thank you for coming and sharing your stories with us

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

I liked the real life stories of how drugs effect your life. And they told the whole truth, not just how bad it is for you.

2. What specifically did you *not* like about the presentation?

The images of people using needles on the video.

3. What, if anything, would you change to make the presentation better?

I wouldn't change anything. Before I never wanted to do drugs, but now I hate them and what they do to people.

4. What did you learn from the presentation?

taking drugs effects everyone in your life, not just you

5. Additional comments:

few guys are really making a difference.

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

I like listening to the presenters.

2. What specifically did you *not* like about the presentation?

Some parts of the video, like the graphic pictures.

3. What, if anything, would you change to make the presentation better?

More prizes for the game

4. What did you learn from the presentation?

That it can be longterm if you do something, or a one time thing that can change you life forever.

5. Additional comments:

Thank you for the visit. I'm sorry for your losses.

See you again.

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

There wasn't specifically fond of anything in the presentation but I liked giving prizes. I only got a bracelet and that some books but that is still a prize to me

2. What specifically did you not like about the presentation?

How scary they made drugs sound. But I know that they should be scary to me and everybody because

3. What, if anything, would you change to make the presentation better?

they Suck! The video was scary too. But I wouldn't change anything but the presenters story (The drugs suck not the presenters)

4. What did you learn from the presentation?

What is in meth I knew it was very bad but I didn't realize it was better by going back in time to make their life better

5. Additional comments:

To the Presenters, I am so sorry you went through what you did in your life I can't imagine how you feel everyday. 2nd house chemicals

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

I liked how they brought real guest speakers to talk to us.

2. What specifically did you not like about the presentation?

I didn't like the fact that it had those nasty pictures.

3. What, if anything, would you change to make the presentation better?

NOTHING

4. What did you learn from the presentation?

I learned that drugs and other bad things can happen to you anywhere, even near your friends

5. Additional comments:

Thank you so much for everything you have shown and done for us, it has really helped me realize how bad this stuff is

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

The true life stories the people gave us.

2. What specifically did you *not* like about the presentation?

There wasn't any thing I didn't like about the presentation.

3. What, if anything, would you change to make the presentation better?

There isn't anything I would change, I thought it was a great presentation.

4. What did you learn from the presentation?

Drugs can change your life forever.

5. Additional comments:

I appreciate you all for coming, and thanks for the message.

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

The fact that every person made one little choice that will impact their lives for forever.

2. What specifically did you *not* like about the presentation?

It made me sad to ~~see~~ listen to their stories

3. What, if anything, would you change to make the presentation better?

Nothing I heard what I needed to hear about it and I'm grateful.

4. What did you learn from the presentation?

All Drugs will impact your life

5. Additional comments:

I will never ever do drugs.

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

How they told us about real life stories
they were great! :-)

2. What specifically did you *not* like about the presentation?

Nothing, everything was great.

3. What, if anything, would you change to make the presentation better?

I don't know anything else that could
make it better you did great!!

4. What did you learn from the presentation?

I learned that you can get addicted just once &
doing it just once can harm you or someone else.

5. Additional comments:

You guys do a great job keep

doing what you are doing.

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

I liked the fact that these things can be
prevented and not happen. This can lead you help others

2. What specifically did you *not* like about the presentation?

That the cost is very horrible and can be tragic.

3. What, if anything, would you change to make the presentation better?

4. What did you learn from the presentation?

Drugs Destroy!!!

5. Additional comments:

This gives me a different view of everything I
thought about drugs

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

The complete and utter honesty.

2. What specifically did you *not* like about the presentation?

Nothing.

3. What, if anything, would you change to make the presentation better?

I wouldn't change a thing.

4. What did you learn from the presentation?

That this is real.

5. Additional comments:

Thank you so much. For taking off work and caring enough to come to our school.

NOVEMBER 13TH, 2013 LEGACY JR HIGH

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

IT REALLY INFORMS YOU ON HOW BADLY DRUGS CAN EFFECT YOU.

2. What specifically did you *not* like about the presentation?

MADE ME SAD HEARING ABOUT ALL THE SAD THINGS THAT HAPPENED TO THE PEOPLE.

3. What, if anything, would you change to make the presentation better?

NONE.

4. What did you learn from the presentation?

NEVER DO DRUGS NO MATTER WHAT!

5. Additional comments:

THANK YOU FOR COMING. I LOVED THE PRESENTATION!

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

Told what ^{drugs} does to people

2. What specifically did you not like about the presentation?

Nothing

3. What, if anything, would you change to make the presentation better?

Tell more about drugs itself.

4. What did you learn from the presentation?

I should never drink, do drugs, or get addicted to medication.

5. Additional comments:

Thankyou for teaching me this.

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

When people talked about what happened to them with drug's / alcohol

2. What specifically did you not like about the presentation?

Nothing

3. What, if anything, would you change to make the presentation better?

To talk a little bit about each drug

4. What did you learn from the presentation?

To not do drug's and stick on my path to my goals and dreams

5. Additional comments:

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

I liked the talkers, and how they were willing to share their story with us.

2. What specifically did you *not* like about the presentation?

The video was weird and loud,
I didn't get how it was played stopped then played.

3. What, if anything, would you change to make the presentation better?

I would play the video, I would have more speakers or more time for speakers.

4. What did you learn from the presentation?

Alcohol affects your choices.

5. Additional comments:

Thank you for taking the time out of your day to speak to us and share your story.

Legacy Jr. High School 11/13/2013

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

I liked how they shared personal experiences and gave us the chance to see the reality of drugs.

2. What specifically did you *not* like about the presentation?

I didn't see anything bad to be honest.

3. What, if anything, would you change to make the presentation better?

Maybe be more specific about what certain drugs do to you, but it isn't necessary.

4. What did you learn from the presentation?

I learned one use can get you addicted, possibly for life.

5. Additional comments:

Thanks for sharing your personal experiences with us! It means a lot!

November 13, 2013

Legacy Jr. High

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

I liked their personal stories

2. What specifically did you *not* like about the presentation?

I didn't like that they couldn't stay longer than they did.

3. What, if anything, would you change to make the presentation better?

I would have 1 more speaker

4. What did you learn from the presentation?

That drugs are horrible for your body

5. Additional comments:

It was great!

Legacy Jr. High
11-13-13

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

Hearing everyone's presentation, and what they went through.

2. What specifically did you *not* like about the presentation?

I liked them all the same, no one did bad

3. What, if anything, would you change to make the presentation better?

Nothing

4. What did you learn from the presentation?

A lot about drugs, most first time you take it you get addicted

5. Additional comments:

It was Great!

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

That the stories are true and real.

2. What specifically did you not like about the presentation?

That we need lots of time or the same amount of time for each topic

3. What, if anything, would you change to make the presentation better?

A trial or a review a reward.

4. What did you learn from the presentation?

That Drug can change peoples life from one dose.

5. Additional comments: That was hard to go through all of that and be good about it because it's over.

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

I liked that they were real stories straight from the people it happened to

2. What specifically did you not like about the presentation?

Nothing it was a good presentation

3. What, if anything, would you change to make the presentation better?

4. What did you learn from the presentation?

I learned that you don't even need that much or to be addicted to have problems

5. Additional comments:

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

I loved the presentations from everyone.

2. What specifically did you *not* like about the presentation?

I liked everything.

3. What, if anything, would you change to make the presentation better?

Nothing. It was beautiful

4. What did you learn from the presentation?

Just a little more in depth about drugs & alcohol then what I already knew.

5. Additional comments:

Forgive yourself Eric.

4 THE SOLUTION - STUDENT RESPONSE

1. What specifically did you like about the presentation?

I liked how the guests shared their stories

2. What specifically did you *not* like about the presentation?

Nothing, this helps us know about more how dangerous drugs are

3. What, if anything, would you change to make the presentation better?

I thought the presentation was good.

4. What did you learn from the presentation?

That 750,000 people die from cigarettes.

5. Additional comments:

Eric - forgive yourself
Thank you.
